PROJECTS

Business Club Website *2025 – Present*
React · Tailwind CSS · GitHub Pages

- Built **first student-club website in school history** for Business Club (co-founded); site remains actively maintained.
- Designed responsive UI; project serves as club's digital backbone for outreach and event promotion.

Newspaper Club Full-Stack Site *2025 – Present*
React · Firebase · Tailwind CSS · Netlify

- Developed and deployed full-stack club website with Firebase backend as club Treasurer.
- Manages weekly articles for 200+ readers; first dedicated website in club's history.

Personal Portfolio — nahomtmariam.com *2025 – Present*
React · Tailwind CSS · Cloudflare · GitHub Pages

- Custom portfolio on personal domain showcasing projects, GitHub activity, and self-study progress.

EXPERIENCE & LEADERSHIP

Addis Asqual Addis Ababa, Ethiopia
Website Administrator (Internship) *2026 – Present*

- Maintain company website, ensuring uptime, content accuracy, and performance optimization.

Nib Bank Addis Ababa, Ethiopia
Analytical Team Intern *2026 – Present*

- Supported analytical division by documenting financial data workflows and shadowing quarterly reporting processes.

Business Club Andinet International HS
Co-Founder & Web Lead *2025 – Present*

- Co-founded club, built its first website, and led team to hackathon cash prize (4,000 birr to club).

Newspaper Club Andinet International HS
Treasurer & Web Developer *2025 – Present*

- Manage club finances and built club's first full-stack website (200+ weekly readers).

Science Fair Coordinator Andinet International HS
Coordinator *2025 – 2026*

- Coordinated school-wide science fair: logistics, judging panels, and student project submissions.
